

EdComs

We've moved! We're now located a stone's throw from Oval tube station at Canterbury Court in the Kennington Business Park at the top of Brixton Road.

As you face the entrance to Kennington Business Park, Canterbury Court is the main building in front of you. When you enter, you do not have to sign it at the building reception. Instead, go past the front desk, turn left up the ramp, past the facilities on your left and then left again – we are tucked away around that corner.

Getting there by tube

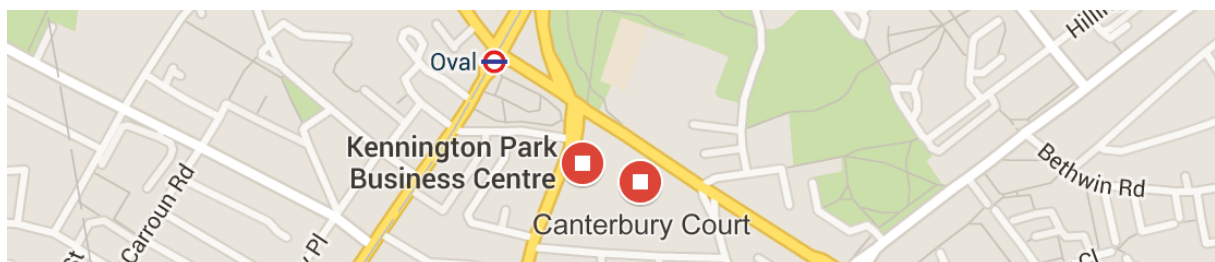

Oval station on the Northern line is the closest tube station to our new office. It is approximately a 3-minute walk away.

There are two branches of the northern line (via Bank and via Charing Cross). If you're travelling on the Charing Cross southbound line at off-peak times, you might have to change at Kennington – just cross the platform - to continue on the southbound Bank branch one stop down to Oval station.

Exit Oval station and cross over the road to the church. Walk through the churchyard and you will see Kennington Business Park ahead of you. Canterbury Court is set back slightly in the Park about 30m down the Brixton Road.

Getting there by train and from Vauxhall underground

The nearest train station is Vauxhall and it's a 10-15 minute walk to the new office. From Vauxhall, exit the station through the main exit (exit 1 & 2) towards the bus and underground station. Immediately turn right and then right again to pass under the railway bridge. Cross over at the lights onto Harleyford Road. Walk the length of Harleyford Road, past the Oval cricket ground, until you get to Oval underground station on your right. Cross over the road to the church. Walk through the churchyard and you will see Kennington Business Park ahead of you. Canterbury Court is set back slightly in the Park about 30m down the Brixton Road.

By car

There is parking available at the new office as long as we have advance warning and know your number plate (there is a number plate recognition entrance system). You should enter through the main gates (not the entrance to the left) which is located on Brixton Road. Please do let us know if you intend to travel to us by car.

By bike

There is space to lock up bikes.
